

I WILL LOVE YOU FOREVER

You say you are ... in love with me,
But you're making me lose my sanity,
And I will love you forever
Through all the stormy weather
But you fail to see the real me at all

You say you will ... never go
But you're making me lose my control
And you leave your suitcase here
But you've never been freeer
And you fail to be in with me at all

I will love you forever
Surely you can see that when I look your way
I will love forever
Don't ask me why
I'm unable to reply
But I will love you forever ooh
I will love you forever ooh

You say you can ... you can see the day
When all I want is not ... not miles away
And you will love me forever
You think you are so clever
You say if I wait and see
You won't let me down at all

Coz I will love you forever
Surely you can see that when I look your way
I will love forever
Don't ask me why
I'm unable to reply
But I will love you forever ooh
I will love you forever ooh
I will love you forever ooh

BAP BAP BAP BAP

You say you are in love with me
But I can sense your insincerity
And you can't see what you're doing
You can't read me at all

Coz I will love you forever
Surely you can see that when I look your way
I will love for ever
Don't ask me why
I'm unable to reply

But I will love you foreveroooh
I will love you foreveroooh

I will love you forever
I will love you forever ever and ever
Love you.....DEH!
Don't mislead me and don't misread me.....
I will love you forever ooh
Don't mislead me and don't misread me

Coz you can't see what you're doing
You can't read me at all
No you can't see what you're doing
You can't read me at all

Coz I will love you forever
I will love you forever ooh
I will love you forever ooh
