

I'M ANNOYED WITH YOU

You let me down!

I'm annoyed with you, you're spoiling my life
I'm annoyed with you, it's like the job of a wife
To put up with you, can't keep your hands to yourself
Your avoiding me, but not any one else

I've got first hand information
You can't wriggle free this time
I've got first hand information
Of your indulgent crime
I've seen you myself
When you thought I wasn't around
You had your eyes on the ceiling
And your feet off the ground
I'm annoyed with you, yes I'm annoyed with you

You let me down
You let me down
You let me down
I'm annoyed with you!

I'm annoyed with you
If that's a strong enough word
I'm annoyed with you
I won't be seen and not heard
You know its true
You keep your thoughts to yourself
You don't talk with me
Only everyone else

I've got first hand information
You can't wriggle free this time
I've got first hand information
Of your indulgent crime
I've seen you myself

When you thought I wasn't around
You had your eyes on the ceiling
And your feet off the ground
I'm annoyed with you, yes I'm annoyed with you

You let me down
You let me down
You let me down
I'm annoyed with you!

It's like the job of a wife.....I'm annoyed with you, (you... you... you)
To put up with you ... is like the job of a wife!
I'm annoyed with you ...you're spoiling my life
You let me down

Just like a wife
You let me down!
