

PURE JEALOUSY

You can't bear to see me
Talking with the enemy
Who is everyone who talks to me
You don't know how I feel
You don't have to leave me
You only have to leave me be
There has to be a remedy for your jealousy
Pure jealousy

Your mind is running rings round you
It changes everything I do
Into something which could bother you
You must understand
That I still love
I don't want to replace you
I haven't given you a cue for your jealousy
Its pure jealousy

Bam do ah
Bam do ah

I can feel you watch me
Your eyes are burning into me
It's just as if you hate me
You don't seem to mind
If you upset me
As long as no one talks to me
You can't control yourself
Your ruled by jealousy
Its pure jealousy

When I am alone with you
You love the things I say and do
Nothing seems to bother you
I don't understand
When there's other people there
You act as if you just don't care
You're like a different man I swear

With jealousy
Its pure jealousy

Ooh ah
Pure jealousy
Bam do ah

Pure jealousy, pure jealousy, pure jealousy, pure jealousy,
pure jealousy

Jealousy Jealousy
